Legend of the „type” column is stated BIO it means that the products is „organic” ; CONV means the products is in „conversion organic farming” Non-organic is means the products in not ecological .

The operator is authorized to issue conformity declarations with the BIO-DQS Organic Production Standard equivalent to Regulation (EU) 2018/848 of the European Parliament and of the Council of 30 May 2018 on organic production and labeling of organic products and repealing Council Regulation (EC) No 834/2007. If in the list is present also the product code, those declarations can be issued directly on the commercial packaging. The operators is directly responsible for the correct use of this certificate and may issue Conformity Declaration only if it meets the requirements of the BIO-DQS Organic Production Standard equivalent to EC Reg. N. 848/2018 and legislation in force applicable to certified products.

The operator must avoid providing publicity indications or other advertising information that may create confusion with non-certified products. In particular, this document does not certify compliance with other requirements that do not belong to the scope of certification; the responsibility of DQS is limited to the reference of the BIO-DQS Organic Production Standard, for which this certificate is issued and does not extend to other standards related to other characteristics may be cited concerning the listed products.
